Jen,
here is chapter 8... could you please forward to Wiley?

the cover... I like both ... "8" is a bit brighter in the background.. what about using the image from 8 with black font for the title? ...

And then there were two.

Hi Dave, Tom,

The designer pushed back a bit on including a graphic on the cover (as I suspected they would). They did incorporate your other suggested changes, though and I attach the final two for your consideration.

Do you have a preference? Do you like them?

All the best,
Jen
